- A new selection of the best images from Henk van Rensbergen, an urban explorer pioneer, in a handy format
- This revised and expanded edition of his bestselling photo book of unusual places is packed with fascinating new images, including over 50% new material

Henk Van Rensbergen is the pilot of a Boeing 787 and a pioneering Urban Explorer. For more than 25 years, he has been capturing the most beautiful pictures of desolate and forgotten places. His *Abandoned Places* picture books (*1, 2, 3* and *The Photographer's Selection*) have been highly successful. A selection of his work can be found on: www.henkvanrensbergen.com.
