- Part of a growing series of opinionated guides offering no-nonsense insider's advice on what to do and see in cities around the world

From Brooklyn brownstones to Bauhaus blocks, Art Deco icons to towering skyscrapers – New York's ever-evolving skyline spans all architectural styles, tracing the history of this modern metropolis. From famous icons like the Flatiron Building to hidden architectural gems, the guide features more than 50 must-see buildings spanning all architectural styles. Whether you're a seasoned New Yorker or a curious visitor, this is your boldly opinionated guide to the most arresting buildings in The Big Apple.

Allison C. Meier is a Brooklyn-based writer and researcher focused on architecture, visual culture, and overlooked histories. She is the author of *Grave* (Bloomsbury, 2023), editor of Blue Crow Media's maps (*Great Trees of New York, Art Deco New York*), and research associate at the American Folk Art Museum. Her work has appeared in *The New York Times, National Geographic*, and Smithsonian. She also leads cemetery tours and publishes the *NYC Microseasons* zine.
