- A catalog of one of the most prestigious architectural awards in China, focusing on cutting-edge architectural designs

Dr. Li Xiangning is Deputy Dean and Full Professor in History, Theory and Criticism at Tongji University College of Architecture and Urban Planning. He is a member of CICA (Comité International des Critiques d'Architecture). He has worked as curator for numerous exhibitions and has published widely on contemporary Chinese architecture and urbanism. He is Chief Editor of *Architecture China* and President of Architecture China Foundation. Furthermore, he has been working with international museums and institutes and he has been a jury member to many international awards and competitions.
