- The fifth book in Darren Heath's *Art of the Race* series

The Formula One book. Art of the Race – V18 is book 5 in a series that encapsulates the very essence of Formula 1 motor racing through the lens of Darren Heath, one of the sport's most celebrated photographers. *Art of The Race* captures the key moments and rarely seen images of each race as the 2018 season unfolds, culminating in Lewis Hamilton winning his 5th World title. *"Formula 1 is the aesthete's ultimate sport: an intoxicating cocktail of speed, spectacle, competition and power, at the heart of which are the thoroughbred racing machines exquisite manifestations of form following function, driven at dizzying speeds by the quickest-of-the-quick, the best racing drivers on the planet. From a young age I dreamed of one day photographing the sport I adored. My one desire: to demonstrate through this creative art just how beautiful Formula 1 can be. This yearning has never dimmed. I hope you enjoy the pictures that follow as much as I enjoyed taking them."* Darren Heath – Multiple award-winning photographer with an Honorary Fellowship of The Royal Photographic Society in 2005.
