Barefoot Together is an invitation to slow down and reconnect—with nature, with your surroundings, and with the people who matter most. Through her personal perspective, Natalia Swarz explores a way of living rooted in simplicity, presence, and togetherness, drawing inspiration from places where life unfolds at a gentler pace: the Mediterranean coast, island communities, the countryside, Latin America, and vibrant city escapes. Filled with beautiful photography, thoughtful reflections, and inspiring visits to private homes, guest houses, and boutique hotels, **Barefoot Together** celebrates the spaces and moments that bring people closer. More than a book about interiors or travel, it is a reminder that the richest experiences are often the simplest ones—shared around a table, beneath the sun, or with bare feet on the ground.

Natalia Swarz was born and raised in Cali, Colombia - a city where summer is endless and golden hour lasts forever - and is now based in Madrid. Inspired by her globetrotting mother, Natalia launched Hôtel Weekend - <https://www.hotel-weekend.com/> - with a desire to share the raw and extraordinarily beautiful places the world can offer with an inspiring community.
