- For over 20 years, an extremely lively and outstanding architectural scene has been thriving in South Tyrol
- Text in English and German

For over 20 years, an extremely lively and outstanding architectural scene has been thriving in South Tyrol. Gerd Bergmeister and Michaela Wolf have been one of its main protagonists from the very beginning. Their buildings are surprising, imaginative solutions that sound out the entire spectrum of architecture: the formation of space, shaping, construction, materialization and integration into the Alpine context.

Text in English and German.
