- A contemporary guide to the architecture of Berlin, the purpose of which is to tell readers about the city through its architectural works, including 86 itineraries
- The book's jacket opens out into a map, marking the locations of the architectural works and interesting sites to visit
- Includes general information about Berlin, and useful tips for travelers
- Each entry includes a photo of the whole building, architectural drawings, a short description, and facts including the architect, year of construction, address, website, and how to visit

Claudia Saglimbeni is a freelance curator, and as Project Manager she is in charge of the strategic management of complex cultural and research projects in the field of architecture and design. She writes as an independent author for some Italian magazines and international, including *Platform, Hunter Fashion Magazine, Studio Architecture, Hunter Fashion Magazine* and *Urbanism Magazine*. In 2014 she became co-founder of the traveling exhibition *Migrant Garden. Untouchable Landscapes*.
