- Features outstanding buildings from Jürg Berrel, Maurice Berrel and Raphael Kräutler

Since 2009, Jürg Berrel, Maurice Berrel and Raphael Kräutler have managed their own architectural offices based in Zurich and Basel. An outstanding building was created for the vocational school in Vouvry VS, which has a sports hall at its center. Natural light shines through the ceiling and onto two surrounding walkways. Since then, the team has designed a number of other inventive buildings.

Text in German and English.
