- Chic, erotic photography from the 1980s to the 2000s by master photographer Jean-Pierre Bourgeois

Legendary. The man behind 500 *Lui* and *Playboy* covers offers his complete work. For 28 years, Jean-Pierre Bourgeois photographed the world's most beautiful women for *Lui* magazine, in dream palaces on the Riviera or on the tropical beaches of the Seychelles, the Bahamas, the Philippines, and Santo Domingo. Photographs of these superb models of multiple nationalities have graced the covers and inside pages of the biggest international photography magazines. Today, prints of Jean-Pierre Bourgeois's photos are sold at auction, in the contemporary art section, and are exhibited in Parisian and London galleries.

The undisputed master of chic erotic photography from the '80s to the 2000s, **Jean-Pierre Bourgeois** is the photographer behind the magazine covers for *LUI*, *Playboy*, *Zoom*, *Newlook*, *Penthouse* and other institutions of the major men's press.
