- Monograph of a leading architecture firm in Boston with a focus on redevelopment and rejuvenation

In more than 40 years of practice, CBT Architects has played an important role in a broad range of projects in diverse settings. This initial volume of the firm's work showcases projects from Boston and beyond. The firm's local and international design efforts focus on the creation and rejuvenation of downtown areas, waterfronts, campuses, and neighborhoods. The firm's work centers on the belief that for a community to come to life and continue to thrive it must support the lifestyles and activities of the people who live, work, and play there. Projects featured include: Atlantic Wharf; 111 Huntington Avenue; Mandarin Oriental Boston; John Adams Courthouse; Starr Axinn Center, Middlebury College; Brown Rudnick; Bain Capital; Fan Pier; 200 Newbury Street; The Belvedere; Four Seasons Hotel; Trinity Place; Rollins Square; Harvard University Memorial Tower; Lord & Taylor; Columbus Center; YMCA; Museum of Fine Arts, Boston; Olin College Residence Hall; Analysis Group | LA, San Francisco, Chicago, Boston, NY; Haymarket Center; Middlebury College Biomass Plant; Holy Cross Senior Apartments; Choate, Hall & Stewart; Curry College Student Center; Folio Boston; 1 Post Office Square; Office Environments of New England; 225 Franklin; Harvard Business School McArthur Hall; Penn State Eastview Terrace; Center for the Arts, St. Mark's School; West Stockbridge House; Fitchburg College Science Center; The Winsor School Peter Hall; Black Rock; Badger & Rosen SquashBusters Center; Northfield Mount Hermon Rhodes Arts Center; NorthPoint; 1000 Tower; Marasy; Suffolk University Modern Theatre; AI Technology Center; AI Ain; Watermark Cambridge; Woods Hole House; Thomas Crane Public Library; Woburn Library; Cathedral High School; Harding Township House; 1 Memorial Drive; Hotel Indigo; Hartford 21; Nordelta Plan; Waterfront at Pitts Bay; 888 Boylston; Equinox Fitness; BellRosa Zanzibar Hotel; Harvard Public Library; 157 Berkeley Street Tower; Boston University Strategic Plan; Wilkes Square Plan.

CBT Architects provides services in architecture, urban design, and interior design from offices in Boston and Abu Dhabi. Founded in 1967, the firm's practice ranges from multi-family residential structures and developments, to major office towers and urban district renewals, to a host of academic campus facilities. In almost five years at The Images Publishing Group, **Beth Browne** has edited more than 40 books on architecture, art, design, gardens and landscaping, craft, cooking and automobiles. She has also compiled a number of IMAGES' best-selling titles including '100 Country Houses: New Rural Architecture', '21st Century Interiors' and '21st Century Architecture: Apartment Living'.
