- After the success of TOUR PARIS 13, Mehdi Ben Cheikh's new "crazy" street art project in Paris: an open-air museum visible from the elevated metro line n°6 in the 13th arrondissement
- The reference book of Boulevard Paris 13, featuring the world's greatest street artists, in an edition enriched with 48 walls
- A reference book that gathers the greatest international urban art artists, such as Shepard Fairey, D*Face, Invader, C215, Seth, Roa, and more

After Tour Paris 13, a spectacular new project has come into being in Paris. The elevated section of metro line 6 now passes through an "open-air museum" all along the Boulevard Vincent Auriol: Boulevard Paris 13 with its immense murals, executed by the greatest international artists, and which can be viewed as if in a gallery of a gigantic museum.
You can enjoy or repeat this unparalleled experience through a richly illustrated book that relates the genesis and making of the project!

Text in English and French.

Mehdi Ben Cheikh is the founder of the Itinerrance Gallery (75013 Paris), specialized in Street Art. He initiated projects such as LA TOUR PARIS 13 or DJERBAHOOD, which have all been published by Albin Michel.
