- Introducing architect Christian Dupraz and a dozen of his designs
- Text in English, French and German

Since 2002, Christian Dupraz has managed his own office in Geneva. Over the years, he has produced a dozen buildings, including abstract, sculptural residential architecture such as the “House for an Art Collector” in Geneva (2010) and the seemingly minimalist holiday home in Les Posses-sur-Bex (2015).

Text in English, German and French.
