- A series of articles by accomplished architects and historians explore the architectural history of the Rocky Mountain Region
- Professional Portfolio demonstrates the flourishing world of classical design in the Rocky Mountain Region with a showcase of recent projects
- Academic Portfolio highlights traditional design projects and studies recently completed by students at academic institutions around the world

The Classicist is an annual journal dedicated to the classical tradition in architecture and the allied arts. Focused on the Rocky Mountain region of the United States, the ***Classicist No. 23*** explores the region's rich architectural history; contemporary examples of classical design through professional and student portfolios; and academic articles authored by leaders within the field.

Mark Gelernter is an American academic, architectural historian, and writer. He is Dean Emeritus of the College of Architecture and Planning of the University of Colorado, Denver. Dr. Gelernter is the author of numerous articles on architectural history, theory, and education, as well as two books, *Sources of Architectural Form: A Critical History of Western Design Theory* (Manchester University Press, 1995) and *A History of American Architecture: Buildings in Their Cultural and Technological Context* (University Press of New England, 2001).
