- Includes many inspiring examples of colour in both classic and modern interiors

The Homes World Wide series brings together unique, inspiring interiors by renowned photographers worldwide and is made in cooperation with photo agency Taverne Agency. The series consists of small, practical books (*Homes World Wide – Compact*) as well as luxurious interior books (*Homes World Wide – Deluxe*). Color is an important and integral part of any interior design process.

Colour: Loving and Living With It includes many inspiring examples of color in both classic and modern interiors. **Also available in the Homes World Wide – Compact series:**

Vintage Living 9789089892065 *Small Homes* 9789089892058

Anna Lambert has great experience in the writing of design texts. Her work appeared in interior magazines worldwide, including 'Australian Vogue Living', 'World of Interiors', 'Elle Decoration' and 'Elle Women'. **Nathalie Taverne** manages Taverne Agency, a photography agency which represents the work of some 25 of the best photographers in the field of interiors, food and lifestyle. For the 'Homes World Wide' series, Nathalie is responsible for the image selection.
