• 30 new residential projects, in a contemporary style, from all over the world

For more than two decades, Beta-Plus has specialized in exclusive coffee table books on architecture, interiors and gardens. For this new edition of the Yearbook, the focus, as last year, is on top quality, traditional craftsmanship and understated class.

This volume, in a handy format, contains exclusive new projects from renowned architects, interior designers, garden and landscape architects, and experienced professionals from all over the world.

Published to coincide with **Contemporary Living Yearbook 2022** is *Timeless Living Yearbook 2022*, which emphasizes classic and more traditional forms, the integration of antique building materials, wood and natural stone, exclusive fabrics and objects, the restoration of homes and farms.

Both Yearbooks complement each other perfectly and together offer a selection of dozens of recently finished villas, country houses, townhouses and apartments.

Text in English French and Dutch.
