- Atmospheric photos by Stefan Bogner, capturing the full magnificence of the Norwegian landscape
- In addition to full-color photography, Curves is also a useful travel guide, offering tips for restaurants and hotels along the route

Norway has long been an insider tip among road lovers. The Trollstigen is often mentioned in the same breath as legendary passes all over the world. It's important to know that whether you move on two wheels or four, there is so much more to discover here. *Curves* has set out in search of the absolute highlights and presents exactly that here: breath-taking views, endless winding roads, and gastronomic highlights – all combined to create a travel guide of a very special kind. Norway is presented here as you certainly don't know it – yet! Text in English and German. Also available: *Curves: Germany's Coastline | Denmark* ISBN 9783667110909
