Showcases design projects from the 10 best designers in Taichung, Taiwan.

Taichung is located in western Taiwan. With a population of just over 2.6 million people, it is the third largest city on the island.

This book includes the work of 10 of the most talented designers from Taichung. They are all pioneers in the industry, offering unique views and diverse designs, demonstrating postmodern eclectic styles. Each one is enthusiastic about showcasing the potential of Taichung design and what it has to offer to the world: creativity, cultural innovations, and examples of the fruits of integrating creative cultural activities into our daily life.
