Don Rosa is one of the world's most popular cartoonists. His biography *The Life and Times of Scrooge McDuck* earned him immortality and an Eisner Award. But who is the man behind the ducks? *Don Rosa – I Still Get Chills!* has the answers. It is published in honour of Don Rosa's 66th and Scrooge McDuck's 70th birthday. And what's more, Don Rosa himself lent a hand with this book, commenting on photos and drawings, creating typical Don Rosa quotes and turning it into a unique Don Rosa work.
