Price	$49.50

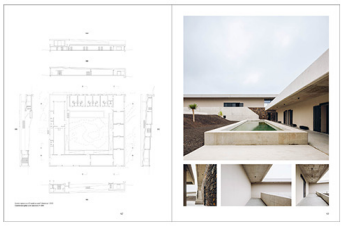

- Includes 106 images and 30 plans

The meticulously, carefully and solidly developed work by the London architects Daniel Rosbottom and David Howarth has continuously grown since 2000. Recent important buildings include the concert hall in Bodø (Norway), which has an outstandingly elegant and festive character, and the housing for the elderly in Aarschot, Belgium, which is intelligently integrated into the small-town structure.

Text in English and German.
