- A collection of photographs from 14 photographers all focusing on one London neighborhood

Published to mark the fifth anniversary of Hoxton Mini Press, this compilation book contains work from the first 13 books in the much-loved 'East London Photo Stories' series. Appearing alongside next text and maps of the area there will be an edit of images from each project showing a different aspect of East London's colorful character – from its eccentric Hackney inhabitants and famous flower markets to its wild nightlife and tranquil waterways. This book takes the viewer on a visual journey through the heart of East London, the place where Hoxton Mini Press began.

Featured photographers include Martin Osborne, Madeleine Waller, Zed Nelson, Dougie Wallace, Jenny Lewis, Chris Dorley-Brown, Johanna Neurath, Nicholas Sack, David George, Chris Baker, Freya Najade, Polly Braden, David Company and Andrew Holligan.
