The Architectural Process 2008-2018**, a monograph that celebrates and concludes the first stage of their careers, a critical and retrospective look at the projects and collaborative processes that they have developed over the past 10 years (at Centro de Colaboración Arquitectónica). Through drawings, photographs and collages, ten essays written by invited authors (Carlos Bedoya Ikeda, William Brinkman-Clark, Adriana Chávez Sánchez, Pablo Pérez Palacios, Rodrigo Valenzuela Jerez, Carlos Zedillo Velasco), plus projects based on concepts and ideas, this book charts the last decade of these architects' work.
