Gary Kwok is the founder of Gary K Limited. Within the competitive floral arena of Hong Kong her brand is synonymous with excellence, superior craftsmanship, attention to detail and exquisite tailor-made design. With her exceptional success in floral art Gary Kwok has made a quick ascent towards leadership and has become the most applauded company in event decoration and prestigious and elegant weddings in Hong Kong. Whatever the client's wishes or the occasion, Gary Kwok and her team deliver bespoke floral creations from the ordinary to the extraordinary. Sublime beauty expressed in the language of flowers. Gary's floral design demonstrates a new use of form, color and texture, which complement and integrate both the flowers and the vase, creating a clean and modern look. A style that also caught the attention of Mr Giorgio Armani who invited Gary Kwok to form a partnership, which resulted in the Armani Fiori HK brand in 2002. This book is an anthology of Gary Kwok's most impressive accomplishments in floral design.
