- An excellent addition to the author's two other bestsellers on the theme of love and marriage
- This book is overflowing with spontaneity and vision; a source of inspiration for florists and brides-to-be alike

After finishing her training in painting, ceramics and sculpting, Moniek Vanden Berghe turned her talents to floral art, achieving great success. One of her main specialities is bridal work, in a contemporary-modern style. She has an eye for detail and designs bridal bouquets, floral purses, corsages, hair clasps and tiara's with great accuracy. She also decorates the bridal table, the cars, the church and the bridesmaids in an elegant and harmonious way. This book is overflowing with spontanaeity and vision; a source of inspiration for florists and brides-to-be alike, *Flowers in Love 3* is an excellent addition to the author's two other bestsellers on the theme of love and marriage.

*"Moniek is a uniquely creative talent. Her intriguing combination of materials as well as her technical creativity shows that she is a true visionary in floral design."***Diane MomnomotoAlso Available:***Flowers in Love* ISBN: 9789058561619 **£22.50***Flowers in Love 2* ISBN: 9789058562241 **£22.50**
