Elizabeth Taylor was the face of classic Hollywood. As one of the 20th century's most loved stars, her image is instantly recognizable the world over. ACC Art Books and Iconic Images proudly present the work of eight wonderful photographers — Douglas Kirkland, Milton Greene, Gered Mankowitz, Norman Parkinson, Eva Sereny, Terry O'Neill, Gary Bernstein and Greg Brennan — who were fortunate enough to capture the star at different moments of her life. Throughout the book, the photographers share their memories of working with the icon, from patient pursuits to charming persuasion, each enlightening us with an inside view of what it was like to work with such an icon. The book presents a mix of set, fashion, portrait and behind-the-scenes photographs, including some rare and never-before-seen images. ***Forever Elizabeth*** is a visual tribute from some of the world's best-known photographers to a star who continues to captivate our hearts.
