- An architectural monograph dedicated to the impressive oeuvre of Pascal Fournier and Sandra Maccagnan
- Full color pictures demonstrate how Fournier and Maccagnan's creations come to life amid their rural surrounds

For almost 15 years, the architectural couple Pascal Fournier and Sandra Maccagnan has been working in the Unterwallis region to produce a remarkable oeuvre. The individual buildings consciously react to their developed, usually rural environments and are able to clarify them, thereby achieving a more beautiful, complete whole.

Text in French and Italian.
