- The fourth volume of Giorgio de Chirico's *Catalogo Generale* with 451 paintings, drawings, and watercolours dating from 1913 to 1975

This fourth volume of the *Catalogo Generale*, published in 2018, features 455 paintings, watercolors, and works on paper dating from 1913 to 1975 by Giorgio de Chirico which have been authenticated and dated by the Fondazione Giorgio e Isa de Chirico. This brings the total number of works published in the complete catalog to 1831. It includes an introductory essay by Lorenzo Canova, a foreword by Paolo Picozza, President of Fondazione Giorgio e Isa de Chirico, a previously unpublished essay by de Chirico entitled *Zeuxis the Explorer* (1918), a brief biography of the artist, and a summary of the Foundation's activity.

The works featured here were not included in Claudio Bruni Sakraischik's original multi-volume catalogue raisonné published between 1971 and 1987. Volume 4 includes a separate bibliography and exhibition history for works that appear in this volume only.
