Territory	USA & Canada
Size	8.86 in x 11.42 in
Pages	80 Pages
Illustrations	80 color, 30 b&w
Name of series	De aedibus
Price	\$49.50

Timothée Giorgis founded his office in Geneva in 2007 and was joined by Juan Rodriguez in 2015. Since then, a remarkable number of residential buildings and refurbishments have been completed, including a major facility with a municipal and school building in Satigny near Geneva. It is carefully embedded in the landscape with a calm gesture. The reserved developments reveal a refined, detailed architectural language.

Text in English and German.
