Tacos Tijuana is the companion volume to *Tacos CDMX*, part of the *Guía Domingo* series—a vibrant celebration of taco culture across Mexico's most iconic cities. Sitting on the edge of the U.S. border, Tijuana is a ruckus in its own right. "We're not better than the rest of the country, just different," the city seems to say. A seaside town with desert roots and a Mediterranean climate, Tijuana is shaped by migrants from all corners of Mexico. They arrive, adapt, and cook.
