- Tattoos that put a smile on your face
- Third book in the series of little tattoo bibles by Sven Rayen and Ti Racovita, featuring a worldwide selection of the best tattoo artists
- Beautifully designed and irresistibly funny

After their successful books on micro tattoos and fine line tattoos, Sven Rayen and Ti Racovita present this third tattoo bible. This time, the tone is light and playful. *Happy Tattoos* showcases the work of the best tattoo artists from around the world, focusing on funny and/or cute tattoos. From a kitten in an astronaut suit with the caption "Suck it, Neil Armstrong" to a guitar-playing-Kermit—these tattoos are guaranteed to put a smile on your face.

Sven Rayen is a celebrated tattoo artist and runs Studio Palermo in Antwerp together with Ti Racovita.
