A stairway to Heaven: this is the perfect description for this publication on one of the most significant places to stay in the world: Hotel Hassler Roma. Never before has a hotel so full of historical and cultural significance been able to create indelible memories for those who stay there (even if only for a few days!). Owned and managed by Roberto Jr. and Veruschka Wirth, the sixth generation of a famous Swiss dynasty of hoteliers, the hotel as it stands today is one of the finest 5-star hotels in Rome. As well as a panoramic Michelin-starred restaurant and luxurious beauty and wellness facilities, the imcomparable and breathtaking views are a feast for the eyes thanks to the hotel's location at the top of the famous Spanish Steps; a monumental stairway of 135 steps built in 1723–1725, linking the Bourbon Spanish Embassy and the Trinità dei Monti church.

Images of royalty and VIPs (really everyone has stayed at the Hassler!) together with family snaps, and interviews with the protagonists of hospitality intertwine this unique publication, making this is an ideal gift for those with a passion for history and appreciation of refined hospitality.
