- Compared to many other Hindu temples, even in Kerala, Guruvayur is not a huge complex; it qualifies, however, as a mahakshetram - a great temple
- This book is a remarkable and unique record, the outcome of seven years of careful research enhanced by photographs that not only portray all aspects of life within the temple, but its atmosphere of intangible divinity

*Heaven on Earth: The Universe of Kerala's Guruvayur Temple* is a remarkable and unique record enhanced by photographs that not only portray all aspects of life within the temple, but its atmosphere of intangible divinity. It is a temple whose elaborate poojas have survived the many vicissitudes of history, of wars and changing times, always adhering to the rules that Adi Sankaracharya is said to have laid down a thousand years ago.
