Pages	176 Pages
Price	\$17.00

- A compilation of some of the best of 'Eskay's' work
- The author brings to light some of the serious problems which faced (and continue to face) India in a witty and lighthearted matter

Indira Gandhi is perhaps one of the few Indian leaders whose recognition factor has not diminished with time. Her leadership sparked furious debates and controversy, spawning satire both in film and in print. Her legacy, both in terms of politics and progeny continue to impact the future of this country. In *Indira Gandhi: The Final Chapter*, Suraj 'Eskay' Sriram, through his cartoons and illustrations, presents a snapshot of the Indian political and social scene at the time. Presented with tongue-in-cheek humor, wit and cynicism, 'Eskay' has an uncanny knack of getting to the heart of the matter with just a few swift strokes of his pen. What better way to reacquaint ourselves with the good, the bad, the ugly – and the humorous! – events that took place during the 'final chapter' of Indira's reign? Contents: Foreword Preface Introduction Indira, Family, Friends & Foes The Indian Scene Personality Parade End of the Final Chapter Epilogue Acknowledgements The Last Page
