- The latest edition of the *International Floral Art* series
- Highlights the work of a new generation of floral designers
- A valuable resource that explores the latest trends and developments in this field

International Floral Art 2021/2022 is an expertly curated collection of floral design showing the bounty of nature in many ingenious and magnificent ways. It is an anthology of floral inspiration, a love letter to nature itself and a testimony to the boundless nature of human creativity.

Over 130 floral designers let their imagination run wild to push the boundaries of the craft and make us revel in the unexpected. Established floral artists as well as the up and coming generation of designers amaze and seduce with spectacular floral creations that reveal a strong artistic vision, great craftsmanship, an enormous degree of commitment and an extraordinary amount of effort.

International Floral Art 2021/2022 is a stunning coffee table book with over 240 designs that will start conversation and spark the imagination.
