- *La dolce vita* between four walls
- A glimpse of some of Italy's most fascinating rich and personal dwellings
- With outstanding photography by renowned interior photographer Guillaume de Laubier
- Follow-up to *Paris Living, Bold Living* and *Oriental Living*, three other treasure troves full of unique interior projects

Feast your eyes on ***Italian Living***, a book that takes you on a house tour of some of the most unexpected dwellings in Italy. Captured by interior design photographer Guillaume de Laubier, these homes uncover the design-forward spirit of Italian living culture. Unlike for example Japanese minimalism, the Italian interior style cannot be pinned down to one characteristic. Italian living is all about personality and a sense of playfulness. *La dolce vita* between four walls, so to speak. And that is exactly what this book exemplifies, with its rich textures, its vivid colors and its sculptural furniture. Feel a southern whiff of air while browsing through***Italian Living***, and let it inspire your own interior design choices.

Guillaume de Laubier's interior photography is published in magazines all over the world. Throughout the years, the photographer has collaborated on over thirty books, three of which for Lannoo Publishers.
