- More than a simple travel guide, this is a book filled with splendid photos and is a must-have for all lovers of Japan
- By scanning the QR code, you can access the updated online guide to find out about all the places of interest nearby when you are traveling in the country.

A new travel guide to Japan, illustrated by extraordinary photos, that avoids clichés while exploring the country's mythical places. Admire Tokyo in all of its tranquility, Kyoto under the charm of the geishas, Osaka full of tumult, but also Mount Fuji and many other must-see destinations. Going beneath the surface, Nicolas Wauters describes the Japanese way of life, their traditions and their festivals. The images are accompanied by a QR code that allows access to constantly updated data. No need to search in the pages of your book, you are geolocated and nearby places of interest are immediately displayed.

**Nicolas Wauters** is a guide and photographer specialized in landscape, cityscape and architecture. Since 2012, he has been living in Japan and sharing his passion for this country through his photos and his company Tokyo Trip.
