1000 Piece Puzzle featuring the artwork of Kour Pour.

Peacock Tiger is one of a series of remarkable medium and large scale painting/block prints that Kour Pour has created in recent years. This one is our personal favorite and, as it so happens, the artist's favorite as well.

Recently granted US citizenship, Pour's experience as an immigrant with a mixed-raced background is the foundation of his work. Weaving together representational imagery, abstract patterning, and ornamental elements, he creates new hybrid artworks that trace cultural exchange around the globe.

Kinstler is a Brooklyn based puzzle company dedicated to highlighting the work of emerging and established contemporary artists. All Kinstler puzzles are made in the US with sustainable materials.
