

Lacroix Chessex

De aedibus 56

Heinz Wirz

ISBN	9783037611036
Publisher	Quart Publishers
Binding	Paperback / softback
Territory	USA & Canada
Size	8.86 in x 11.42 in
Pages	72 Pages
Illustrations	70 b&w
Name of series	De aedibus
Price	\$46.50

In 2013, Hiéronyme Lacroix and Simon Chessex produced a student housing development close to the Geneva railway lines that represents exemplary urban architecture, with subtle nuances and a convincing resonance of the location's dynamic atmosphere. Before and afterwards, they designed smaller residential developments and larger conversions of refined quality. Text in English and German.
