1,000 piece puzzle featuring the artwork of Lauren dela Roche.

Lauren dela Roche is a self-taught artist living in St Louis, Missouri whose visual influences come from classical Greek mythology, handmade embroideries, weavings, domestic interiors, music, and her own vivid dreamworld. Her drawings and paintings examine balance and unease at once: female nudes engage in ritualistic acts, cats and dogs live harmoniously, and wild animals appear tame and indoors

Kinstler is a Brooklyn based puzzle company dedicated to highlighting the work of emerging and established contemporary artists. All Kinstler puzzles are made in the US with sustainable materials.
