- Comprehensive and easy-to-follow step-by-step instructions
- Perfect for budding builders who are also fans of the Minions
- Learn how to build Gru and his friends out of the bricks of your Lego home collection

The series of Lego builders' books for kids is continued with a new collection of cool projects, enabling you to create your own tribe of playful Minions. You need nothing but your basic home collection of Lego bricks to make them come to life. Bestow these loveable little helpers with features and characteristics of your choice, and give them a new chance to find their favorite super villain! Become the master of minion madness!
