- Lighting designer of the year in 2011/2015/2018
- A selection of international award-winning projects

Licht Kunst Licht is an international lighting design office with locations in Bonn, Berlin, Barcelona and Bangalore. More than 30 employees work on a diverse portfolio of projects, including mixed-use, office buildings, museums, governmental buildings, traffic and transportation projects, retail and hospitality projects as well as exterior and landscape masterplans.

With over 800 completed projects, many of which have been honored with the most prestigious awards and appreciations, Licht Kunst Licht is one of the world's most successful specialists in lighting design. The publication is a display of their expertise through a select compilation of projects such as the Oscar Niemeyer Sphere in Leipzig, the National Museum of Qatar, or the Baden-Württemberg State Parliament in Stuttgart.

Text in English and German.
