- Popular Belgian style blogger (*Fashionata*) and author (*Little Black Book*, and *Mood of the Day*) Sofie Valkiers offers her personal insights into staying stylish while pregnant and after the baby is born. This little black book for fashionable moms includes beauty and fashion tips for moms and their babies

Sofie Valkiers is best known as the founder and driving force behind the popular fashion, beauty, lifestyle blog, *Fashionata*. She is also the mom of 1-year old Gabriel, and in this handy guide she proves that it's possible to both have a baby and remain stylish. *Little Black Book for Moms* is filled with practical tips and inspiration: what to pack in your hospital bag, where to find the most fashionable maternity wear, how to make a baby wardrobe checklist, and how to profit from 'pregnancy glow'. Speaking from experience, she reveals her own secrets to remaining your most fashionable self while expecting your baby and beyond.

Sofie Valkiers started her blog, *Fashionata*, in 2009. Today she has become an influential fashion, beauty, lifestyle blogger and author, working with brands such as Dior, Chanel and Louis Vuitton. She is the author of *Little Black Book* ISBN 9789401427913, and *Mood of the Day*, and has her own line of all-natural scented candles.
