- Inspiring interiors that embody Modern Rustic style
- The most beautiful combinations of modern homes with a cozy rustic touch
- Full of tips and ideas for your own interior
- Featuring never-before-published homes from Britain to New Zealand

This book showcases stunning homes that embody the perfect mix between modern and rustic. Rustic furniture in an otherwise sleek interior, rough wooden elements, a calm color palette with a unique finish. The photos of these dream interiors accompanied by interesting stories and unique approaches will inspire you to get started yourself. In the same series as *Living in Country Style* – 9789401489973.
