- Lugano-based architect Luca Gazzaniga finds a way of elevating the design to a higher level, even in pragmatic tasks, leading it to a powerful, impressive result

Inspired by his experiences and encounters as Co-Editor of the Italian architecture and design magazine Domus, the Lugano-based architect Luca Gazzaniga finds a way of elevating the design to a higher level, even in pragmatic tasks, leading it to a powerful, impressive result – as can be seen in the residential development in Agno (2008). Text in English and German.
