1000 piece puzzle featuring the artwork of acclaimed New York City based artist Marc Dennis.

Marc Dennis is an American artist known for his hyper-realistic paintings that celebrate the fluid nuances of pleasure, power, beauty and love. Interested in transformative possibilities Dennis merges various movements throughout the western art historical canon, with modern tropes to create fresh paintings rich with intrigue and metaphysical inquiry. By co-opting celebrated paintings of centuries past Dennis' works find new meaning in the hallowed lineage of Old Master painting to explore contemporary questions of cultural identity, humor, and the consumption of images. His works have been included in many solo and group exhibitions, art fairs and museums including; Art Basel, Miami Beach, FL; The Armory Show, New York; Frieze London, England; Untitled, Miami Beach, FL.

Kinstler is a Brooklyn based puzzle company dedicated to highlighting the work of emerging and established contemporary artists. All Kinstler puzzles are made in the US with sustainable materials.
