- Architectural research by the two Geneva architects in their office Bassicarella focuses on a few fundamental themes

Architectural research by the two Geneva architects in their office Bassicarella focuses on a few fundamental themes: Materiality, presence, construction, pre-fabrication and the internal figure. In a sequence of volumes in the *Bibliotheca* series, the architects reflect on those themes using illustrative details, short texts and technical data on the materiality of their remarkable buildings in the Geneva region. Text in English, French, and German.
