- Geneva team of architects led by Philippe Meier. They are volumes for a range of building tasks, such as the Oncology Centre and a Business School in Geneva, or the renovation and extension of a media library in Sion

Simple, spacious buildings, ingenious material experiments in the building envelopes and clearly structured interior arrangements characterize the buildings by this Geneva team of architects led by Philippe Meier. They are volumes for a range of building tasks, such as the Oncology Centre and a Business School in Geneva, or the renovation and extension of a media library in Sion.

Text in English and German.
