- Experience the combination of brilliant photography and personal background information
- Ideal as a gift or collectible for anyone who loves the Porsche brand

In ***My First 911***, photographer Kai Hartmann captures the intimate relationship between passionate owners and their first Porsche 911. This collection of stories from around the world tells of fulfilled dreams and the fascination surrounding the iconic sports car. Over 36 owners from Asia, the US, and Europe share their personal stories surrounding their first 911. Whether as a family heirloom or the reward of hard work, the emotions and pride reflected in each portrait are impressive.

Kai Hartmann, known for his high-quality automotive and lifestyle photography, captures rare and unique 911 models in striking images.

Text in English and German.

For more than 15 years, **Kai Hartmann** has stood for high-quality automotive and lifestyle photography. He works for major international clients and travels the world.
