- Buy either the books separately or all four together in a box set. Perfect gift for the little ones
- New, nontraditional way of learning the numbers, shapes, colors and opposites, inspired by Edvard Munch's art and world
- Lets children learn the basics through art
- Hand colored and written spreads

My first books collection box with four exciting and educational books for children, covering numbers, shapes, colors and opposites, all inspired by Edvard Munch.

Circle? Or Oval? And a diamond shape on the bedspread! My first book of shapes. Yellow hats, purple forest – and what is the color of the moon? My first book of colors. Day and night, light and …? My first book of opposites. I, 2, 7, 9! How many people do you see on the bridge? My first book of numbers.

Ages 3-5.

Available separately: *Colours*, ISBN 9788293560944; *Opposites*, ISBN 9788293560982; *Shapes*, ISBN 9788284620008; *Numbers*, ISBN 9788293560869.

Ingela P Arrhenius is a Sweden-based illustrator. She has made 50 plus books for children. She's been commissioned for creating print patterns for fabrics, wallpaper, stationery as well as packaging, product design, home accessories and toys. Ingela's posters and designer toys are spread all around the world. She's passionate about retro style in general which is clearly reflected in her work as well as her joy for typography and color.
