- Showcases contemporary residential architecture and design across the state of Texas, by renowned Texas-based architects and designers
- Features stunning full-color photography throughout and informative descriptions
- Contextualizes with an introduction by an acclaimed expert on the profound influences of key architecture and design practitioners and the topic of building in variable environments throughout Texas
- A compelling group of modernist architecture with a particularly Texas flavor

The Lone Star State continues its love affair with innovative and contemporary architecture and design. Showcasing a stunning range of modern homes, this book will inspire best-design practice and spur on lifestyle dreams. Set out with beautiful full-color photography, ***New Texas Modern*** delves into the finer details of trending architectural styles. The exquisite kitchens, glorious living spaces, sumptuous bedrooms, luxurious bathrooms, spectacular outdoor entertaining areas, and other delightful spaces, are all part and parcel of the Texas residential dream. Abundant available space, a sense of Texas architectural historical vernacular, and a need to cater to the harsh Texas climate all combine together to produce gorgeous livable contemporary residences to delight the eye and the senses.

Helen Thompson is the author of nine books and senior editor at *Modern Luxury Interiors Texas* magazine. She has produced features and written extensively on houses, travel, and lifestyle for other magazines, including *Elle Decor, Architectural Digest, Dwell, House Beautiful,* and *Martha Stewart Living.* **Hannah Jenkins** is the editor and writer of several high-profile compilation titles on global contemporary residential architecture.
