- How to successfully integrate Nordic colors in your interior decoration
- Follow-up to the bestseller *Nordic Moods*, this new work helps you find your own color palette rooted in the here-to-stay Nordic tradition
- With appealing and practical mood boards and outstanding photography by acknowledged interior photographers Kira Brandt and Mikkel Adsbøl.
- **Nordic Colours** showcases the stunning homes of nine celebrated Danish designers, interior; stylists, art collectors, and artisans
- **Nordic Colours** unveils a color scheme of natural shades for a harmonious home

In **Nordic Colours**, bestselling author Katrine Martensen-Larsen guides you through the ways of infusing your home with Nordic tones – a color scheme of natural shades. From the transformative power of paint and wallpaper to the enchanting vitality of soft furnishings, she reveals how every element contributes to a harmonious home. This book is not just about applying color; it is about creating moods that resonate with who we are and how we wish to feel. The inclusion of mood boards as a practical tool sets this guide apart, empowering you to visualize and curate your dreams. With clear instructions and inspiring examples, the author encourages readers to embark on a personal journey of decoration — inviting experimentation, self-discovery, and delight in the process.
